MEET THE HOST: OLIVER

Oliver is a final-year BSc Economics student at the University of Warwick. Oliver is a driven, committed, and dependable tutor who enjoys pushing and aiding others to achieve their academic, co-curricular, and longer-term goals. He currently is specialising in Research in Applied Economics, Data Science, Econometrics, Corporate Finance and Markets and Macroeconomic Policy in the EU. He also has a strong background in Foundations of Finance, Mathematical and Statistical Techniques and the World Economy.

Oliver has worked within the Cabinet Office as an economist in the Economy and Energy sub team from July - September 2023. In this role, Oliver wrote and edited a weekly economics briefing for the Deputy Prime Minister and Number 10 Downing Street. Oliver was also the Senior Editor of Warwick Economics Society's magazine and blog from 2022-2023. He edited the work of and managed a team of seven writers contributing regular and engaging articles to the University of Warwick's largest academic society which reached 600+ students and faculty members.

GUEST SPEAKERS

We will have guest speakers frequently host sessions for the Econominds Club e.g. those with career backgrounds in interesting sectors, specialisms in particularly exciting areas of Economics etc.
